Property Information

One of Long Beach's most distinguished office towers, 1501 Hughes Way, is a boutique 4-story building offering efficient floorplans with move-in-ready spaces ranging from 2,000 to 20,000 square feet, accommodating businesses of all sizes with immediate occupancy and room to customize.

Superbly situated in Long Beach's premier business district, the property is near upscale shopping and dining options with heavy foot traffic. Located just 19 minutes from the Port of Long Beach with convenient I-405 and I-710 access, the building ensures exceptional connectivity for business operations.

The property features a secure parking garage, landscaped terraces, courtyard, dedicated event space, gym and spacious lobby - creating a comprehensive professional environment that supports daily operations and corporate needs.

The tower's inviting office suites offer ample natural light through expansive window lines and impressive city views. Flexible floor plans allow for a variety of configurations combined with high ceilings, create bright, spacious multi-purpose interiors.

This highly customizable office settings empower businesses to create spaces reflecting their unique culture while maintaining a prestigious address that impresses clients and attracts top talent.
