A new **Live, Work, Entertainment Development** in the heart of Midlothian.

Property Overview

Winterfield Crossing, Blackwood Development Company's newest project, is a 25-acre, mixed-use development featuring 250 age-restricted residential units and a mix of retail, restaurant, and office tenants. The highlight of the project will be an entertainment district containing lakefront restaurants connected by promenades and boardwalks. Located in the highest income trade area in the Richmond market, this project will set the standard for future mixed-use development in Chesterfield County.

Located on the north-side of Midlothian Turnpike, just west of Winterfield Road, this mixed-use project is conveniently located and will serve as a place for people of all ages looking to shop, work, dine and relax. Located in an area of the county that is a destination for commerce, Winterfield Crossing will draw upon the history of Midlothian, as well as the vision for its future. The "village-like" feel is achieved with neighborhood-scale development, quality finishes and its unique ability to connect all aspects of the project, while mirroring a design style similar to the Midlothian Village.

Entrances to Winterfield Crossing will have left and/or right turn lanes for each access. This, along with easy access to Route 288, make this project easily accessible from all parts of Richmond.

Property Features

HISTORIC, SMALL TOWN FEEL

Drawing upon other successful developments in Midlothian and historic buildings in Richmond, Winterfield Crossing will combine history and contemporary design elements to create a cohesive village community for resident and visitors alike.

PEDESTRIAN-FRIENDLY

Paths for walking and biking crisscross the project. Miles of Walkways connect shops, offices and restaurants with parking areas and small parks. By keeping everything on a small scale, we're able to achieve a truly pedestrian-friendly environment.

RETAIL AND ENTERTAINMENT

Whether looking for an ice coffee or a quick sandwich, or need to run to a local boutique retail shop, Winterfield Crossing has a mix of everything. Our walkable streets with a Main Street feel make this new development the perfect new place to live, work and relax.
