Opportunity

Oak Park Business Center offers a compelling opportunity for an owner user to acquire a well located $\pm 40,158$ SF office/warehouse/showroom building with existing income and long term flexibility. The property is approximately 50% office today and is partially leased, allowing a buyer to occupy available space immediately while benefiting from in place cash flow from the remaining tenants.

Situated on 3.11 acres, the property offers ample parking, multiple dock and drive in doors, and a highly functional layout that can accommodate a wide range of industrial, showroom, and office users. Ownership provides the ability to grow into additional square footage over time or maintain the current lease structure for ongoing income.

Buildings of this size and configuration trade infrequently in the Eden Prairie market. Combined with excellent access to Highway 169, Highway 212, and I 494, and I 2 Industrial Park zoning, Oak Park Business Center presents a rare opportunity to control a scalable and well positioned asset in a premier southwest metro location.
