Opened in 1971, Fountain Valley Regional Hospital (FVRH) celebrated its 50 year anniversary in 2021 serving the community of Fountain Valley and surrounding cities. FVRH originally opened as a physician run hospital and now is owned and operated by Tenet Healthcare, a leading provider of healthcare in the US. FVRH is a 400-bed, acute care hospital offering the full spectrum of medical services from a full service emergency department to award winning cardiology care, a comprehensive cancer center, pediatrics and neonatal services including a level III neonatal ICU, OC Institute for orthopedics, imaging and wound care to bariatrics and weight loss. Six medical office buildings are located on the campus of FVRH populated by physician tenants providing a wide range of comprehensive out-patient services, primary and specialty care and wellness programs.
