Truck Terminal For Sublease

This truck terminal offers a premier logistics hub opportunity—built for scale, speed, and high-volume performance.

This ±140,000 SF truck terminal features 144 dock doors, 92 trailer slips, and 35 auto parks—delivering the capacity and flow needed to keep freight moving without delay.

With a 13' clear height in the terminal and 42' in the warehouse, the facility supports both cross-docking and storage flexibility. A wet sprinkler system enhances safety, while the scale and layout make this a standout sublease opportunity for streamlined, high-performance logistics operations.
