east + west

Your Compass to
Strategic Value in
the West End

Colliers

5775 & 6465 Wayzata Boulevard | St. Louis Park, MN 55416

Park Place East and West offer a compelling opportunity for businesses seeking a premier address along one of St. Louis Park's most connected and high-value corridors. With immediate access to Wayzata Boulevard, Highway 394, and downtown Minneapolis, the campus delivers exceptional visibility and convenience for both employees and clients. A robust package of on-site amenities enhances the day-to-day workplace experience, while the surrounding West End district adds even more appeal with its restaurants, retail, and trail access. Tenants also value Park Place's unique blend of suburban ease and urban energy, providing a polished, professional setting without the challenges of a downtown commute. Altogether, Park Place East and West create a strategic, amenity-rich environment that strengthens brand presence and supports long-term business success.

A Thoughtful, Seamless EXPERIENCE

At Park Place East & West, a comprehensive on-site amenities package transforms the modern workday into a seamless, service-oriented experience. From a fully equipped fitness center and inviting collaborative lounges to convenient dining options and abundant parking, every detail is designed to support productivity, comfort, and employee well-being. These thoughtfully curated features minimize disruptions by keeping essential services just steps from your suite, allowing teams to stay focused, energized, and engaged throughout the day. For businesses, this translates into a workplace that not only attracts top talent but also elevates your brand with an impressive, hospitality-driven environment. At Park Place, amenities aren't an extra; they're a built-in advantage that enhances your business's daily operations and long-term success.
