The Region

With the first-ever Buc-ee's location in the state that opened in 2026, this area is poised for significant growth and increased commercial activity. These prime lots offer outstanding visibility and easy access, enhanced by the newly completed interstate exit. The nearby Benton Thomas Park is another major development on 511 acres, featuring a new soccer complex, RV park, and expanded river trail system that will further drive traffic and recreation to the area. With direct Highway 229 frontage and planned lighted access, these sites are well-positioned for a variety of commercial opportunities.
