New Construction - 42.5 Acres - Beck Road, Van Buren Township

Location Overview

Location Overview

Regional Overview

Van Buren Township

Van Buren Township is situated in the southeastern part of the state of Michigan. It is located approximately 23 miles west of downtown Detroit, in Wayne County, the most populous county in Michigan.

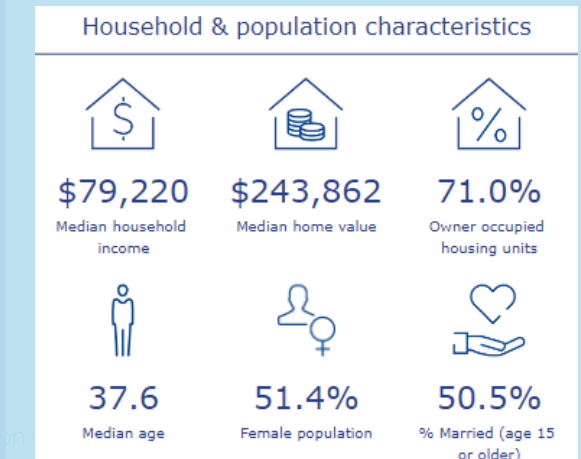

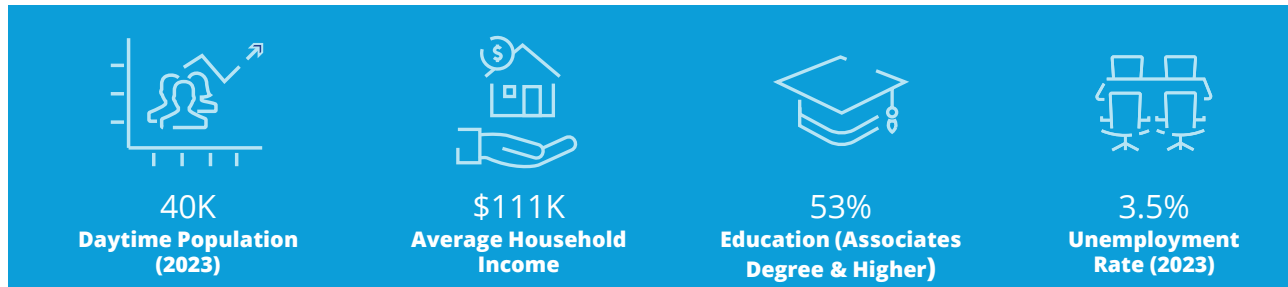

The market is well-connected to major transportation routes. It is served by Interstate 94, which runs east-west and provides easy access to Detroit and other nearby cities. Detroit Metropolitan Wayne County Airport is located just a few miles to the northeast of the township.

Van Buren Township and the surrounding area has seen significant economic development attracting various industries and businesses. It is home to several manufacturing and logistics companies, as well as retail establishments, restaurants, and service providers.
