SALE PRICE: NEGOTIABLE

TAXES: \$47,069

THE PROPERTY

An excellent opportunity for owner-user seeking long-term control of a freestanding building on 0.79 acres with highway access and flexible commercial zoning.

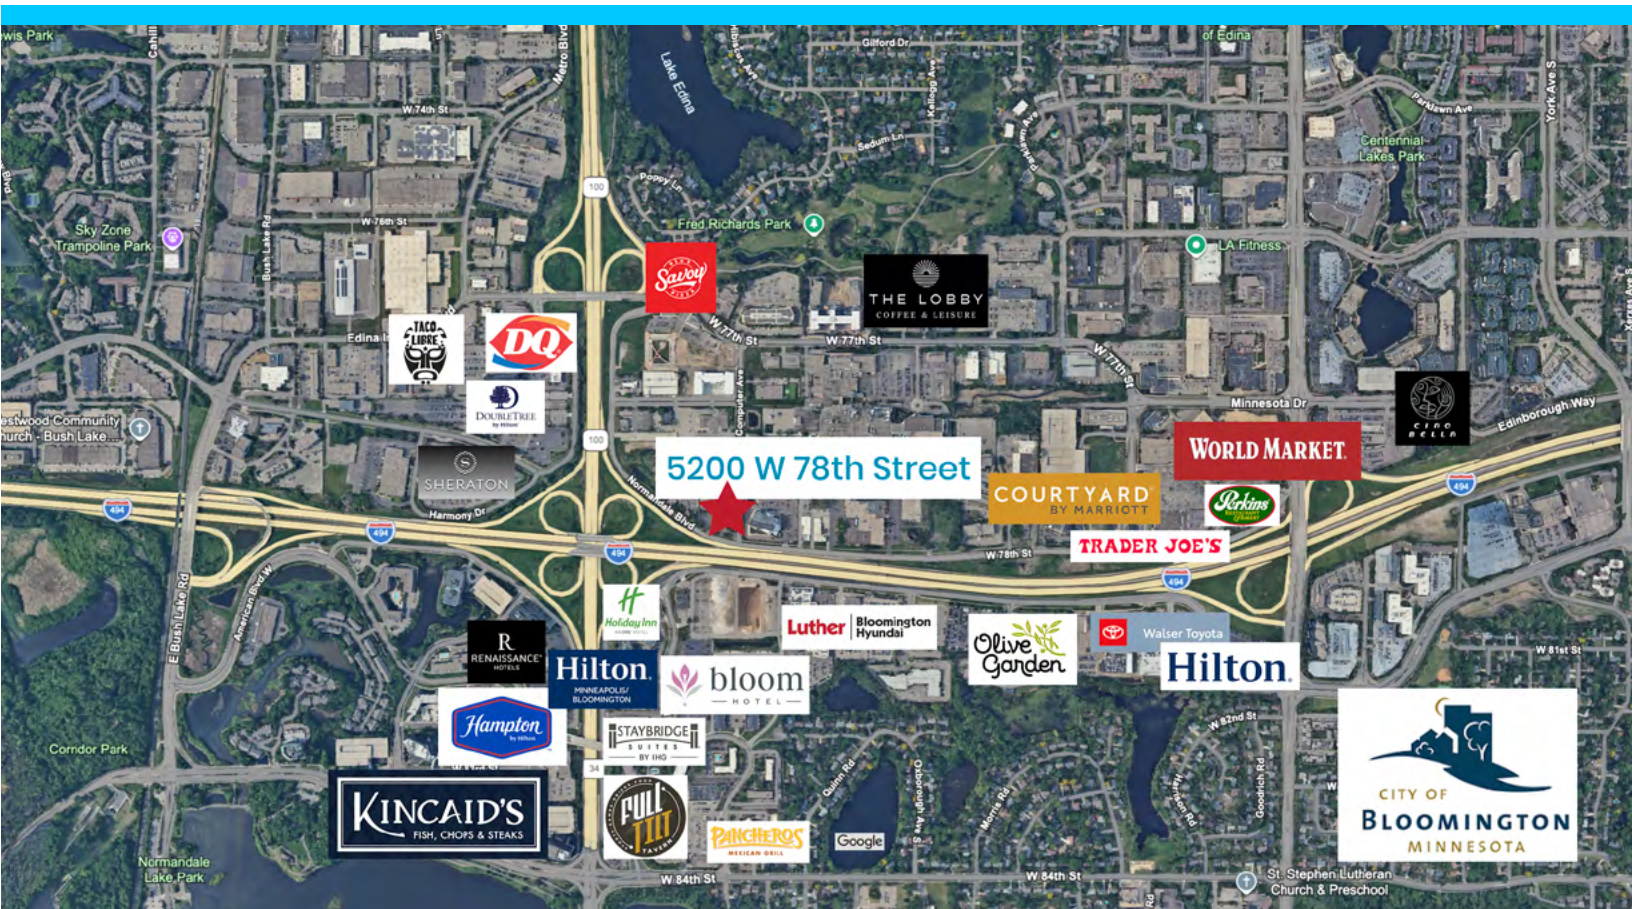

- CS-1 zoning accommodates a variety of office, service, medical and commercial uses
- Excellent visibility and potential for prominent freeway-oriented pylon (up to 30' tall, subject to City approval) and/or building signage; currently has building signage and monument sign
- Parking: Newly lined, paved lot (25 spaces)
- Website: CEGspaces.com/ltc-building (more photos)

THE LOCATION

The property is located within the strategic Southdale submarket and close to the thriving Normandale Lake office corridor.

- Excellent access and a prominent standalone identity adjacent to I-494
- Bloomington is a high-demand area for industrial and commercial investments due to its central location and strong local economy
- Clients and employees can easily access and reach MSP Airport, Mall of America, and other retail hubs
