Property Details

The Opportunity

Backstage Blvd Commerce Park is the future home of a $\pm 166,400$ -SF industrial facility located in the heart of Myrtle Beach, South Carolina, situated at the intersection of US 501 and US 17. The building is pre-leasing now with expected delivery in Q3 of 2027. With a lack of available land in the surrounding area, this location is truly hard to beat.

Nestled along the stunning coastline of South Carolina, Myrtle Beach offers an unparalleled investment opportunity in the realm of commercial real estate. Boasting a thriving tourism industry, the city attracts millions of visitors annually, drawn to its pristine beaches, vibrant entertainment scene and world-class golf courses. Investing in a facility here presents a gateway to tapping into this lucrative market, with the potential for substantial returns driven by robust commerce demand.

Beyond its appeal as a tourist destination, Myrtle Beach stands as a beacon of economic resilience and growth. The city's strategic location along the Grand Strand, coupled with its well-established infrastructure and business-friendly environment, fosters a conducive atmosphere for commercial development. Moreover, with ongoing revitalization initiatives and infrastructure projects, Myrtle Beach continues to evolve as a dynamic hub for commerce and leisure, promising sustained appreciation in property values over the long term.
