A growing, evolving Industrial portfolio

We are investing, building and buying the physical infrastructure to deliver solutions to serve the global supply chain.

Our global industrial and logistics portfolio includes high-quality warehouse, manufacturing, and distribution facilities with a robust global development pipeline. We are committed to elevating expectations of the sector, delivering sustainable, high-functioning, and flexible spaces. We continually strive to do better - finding ways to meaningfully adapt and future-proof our assets. Our state-of-the-art properties are located in major consumption and critical supply chain nodes across North America, Europe and Asia Pacific.
