Permit Assistance

Dublin has organized a cross functional team called Review Services for commercial plan reviews. The team is comprised of specialists from Standards, Planning, Engineering, and the Washington Township Fire

Their purpose is to perform plan reviews in a unified and efficient fashion for compliance with building, fire, engineering, landscape standards.

The economic development team attends permit review meetings on a regular basis to help facilitate the approval process - helping the company save time and money.

Dublin's Economic Development team helps coordinate state and local incentives for businesses as well.

Performance-Based Incentives

Dublin offers growing companies annual performance-based cash incentives based upon a percentage of actual payroll withholdings (2% of annual job and payroll growth figures provided by the company, the company may choose multiple-year term annual payments equivalent to a set percentage of the total annual payroll withholdings paid to the City.

Dublin offers a consulting service offered exclusively for Dublin businesses that either you already have an existing program in place or are just starting. We provide customized corporate wellness solutions that address your company's overall wellness goals.

Dublin offers programs that fit into your current wellness strategy, or let us help you develop a program. We support you with nationally certified trainers and fitness and experienced health professionals who are passionate about change in your company.

Grants

The City can help with growing pains. The City may provide a Technology Grant and/or Relocation Grant to offset moves and/or technology upgrades to facilities.

Other incentives may be available based on the company's needs and the project details. For more information, contact:
