Mixed Use Property in the Heart of Kapālama Kai

Located in the heart of the Kapālama business district, this property provides easy access to downtown, the airport, and the docks.

With a mix of office, retail, and warehouse users, this property offers a vibrant mix of uses as unique as its surrounding area.

Second floor flex/office spaces conveniently accessible by a central elevator offer the perfect opportunity for a growing business looking for an incubator space to flourish in.

Third floor drive-up warehouse spaces work well as a centralized location for a contractor or distributor looking to service all corners of the island.
