Why Molasky Corporate Center Stands Apart

The hub where legal, civic, and professional business gets done.

A Downtown Class A established address built around access, security, efficiency, amenity proximity, and direct connection to the people, places, and institutions that drive Downtown business.

Location That Reduces Time and Cost

Every court appearance, filing, mediation, government meeting, client visit and downtown appointment carries a time cost before the work even begins. From many west side alternatives, downtown drive times can be approximately 20 to 25 minutes.

At Molasky, you are already there.

Immediate Access

Courts, public agencies, clients, opposing counsel, mediators, and key decision makers are immediately accessible from Molasky.

Prestige with Purpose

For law firms, prestige is not only glass, views, and retail. It is proximity to the courts, access to government decision makers, secure client arrival, and a recognizable Downtown address within the market's legal business district.

Secure Professional Arrival

Secure building operations, 24-hour on-site security, monitored parking, on-site property management, black car service availability and a first-class professional arrival experience that supports clients, attorneys, employees, and visitors.

Downtown is the Amenity

Molasky is surrounded by the original mixed-use environment of Las Vegas, Downtown itself. Access to hotels, restaurants, coffee, entertainment, cultural venues, event spaces, government offices, courts, and the Las Vegas Strip are just minutes away.

Class a Space Without the Wait or Congestion

Molasky offers Class A space, ample fully secured parking, on-site amenities, freeway connectivity, and immediate availability now, without the wait or uncertainty of new construction.

Built for access. Positioned for business.
Downtown by advantage.
