Individual services may be waived by the buyer through execution of a limited service agreement.

Dual Agents - A real estate licensee can be the agent of both the seller and the buyer in a transaction, but only with the knowledge and informed consent, in writing, of both the seller and the buyer. In such a dual agency situation, the agent will not be able to disclose all known information to either the seller or the buyer. The obligations of a dual agent are subject to any specific provisions set forth in any agreement between the dual agent, the seller, and the buyer.
