Chastain Logistics Crossing

Spec Improvements

Location

Located just minutes from I-575 (0.70 miles), I-75 (1.65 miles), and I-285 (13.9 miles), Chastain Crossing offers users a competitive advantage as they look to service the growing Atlanta MSA. As disruption in the supply chain continues, Chastain Crossing features a minimum clear height of 32', heavy auto parking (1/1,478 SF), and best-in-class access allowing users to modernize their footprint. With over 115,000,000 SF of development completed over 29 years, Scannell Properties is a natural partner your client can trust to deliver.
