THE OLDEST CAPITAL CITY IN THE UNITED STATES

At the foothills of the Sangre de Cristo Mountains sits the State Capitol of New Mexico, Santa Fe. Founded in 1610, in beautiful and historic northern New Mexico, Santa Fe has become a cultural hub for its art galleries, museums, rich history and picturesque landscape. Living up to its moniker “The City Different” for distinct culture and arts, it attracts international tourism (two million visitors a year) to its 250 plus galleries, over a dozen museums, the largest juried Native art show in the world, one-of-a-kind cuisine and over 320 sunny days a year, all while surrounded by pristine nature. Santa Fe is home to the State Capital and major government facilities, the city’s top economic generator. It is also a commuter city for the Los Alamos National Laboratory (LANL). The federal government recently increased LANLs budget to \$5 Billion and plans to add an additional 2,000 employees to its current workforce of 17,000. Santa Fe’s medical community is well respected in the Southwest and is ever-growing, adding an \$80mm, 72,000 sf regional oncology center. The MSA is home to Saint John’s College, Santa Fe Community College, the Institute of American Indian Arts and Northern New Mexico College which house a student population of around 9,200.
